1

4-YEAR PATH

START: FALL OF FRESHMAN YEAR

Best for students who identify AFROTC before or when they arrive at college. Students begin the program from the start of freshman year.

2

3.5-YEAR / AS150 PATH

START: WINTER OF FRESHMAN YEAR

Designed for eligible first-year students who missed the fall start. The key is contacting Det 055 early enough to plan winter entry and remaining academic timeline.

THE IMPORTANT PART

AFROTC eligibility and academic timing are individual. Do not assume you are too late — contact Det 055 and let us review your situation.
